

Classics on the Niagara car show was held in Niawanda Park and hosted by the Vietnam Veterans Chapter 77 and American Legion Post 264 during the Labor Day weekend, 2018. There were 224 cars, trucks and motorcycles in attendance. A few raindrops did not dampen the spirit of the exhibitors or spectators. Corvettes of Buffalo was represented by 24 Corvettes and three were awarded trophies as chosen by the participants. The winners were Skip with his 1967 Roadster, Gene's 1963 Fuelie and Mel with his 1958. Next year a "Club Participation" category will be awarded and we plan on showing the community our spirit with even more cars.
