DECEMBER 2021

VETTE NEWS SINCE 1981

President Bob Joseph:

With 2021 coming to an end and the November elections behind us I would like to congratulate the members of the 2022 Officers/board. As usual we will have the swearing in ceremony during our annual Christmas brunch at Illo DiPaolo's restaurant in December organized by Karen and George Sparks. I want to express my thanks to Marianne Pastore and Lowell Rothenberger for their time as officers of the club and will continue as board members in 2022. Thank You to Sue Blum and Dave Spencer for their time as a board member and will be leaving after this year. I want to welcome Norma Joseph as treasurer and Kevin Horan as board member and I look forward to working with everyone in the coming year.

I am glad to see that Sue Brownlee and Rose Ricigliano have organized lady's luncheons in November and December. Thank You ladies and let's keep this going in the coming year.

Jim Kuczmariski and myself have been working with Dorothy Camping on the new Website and I am happy to report that it is almost complete. All that is left is transferring achieve information from the old site to the new one which will be done by Dorothy. At that point we will be ready to go live with the site.

I look forward to seeing many of you at the Christmas Brunch. For those members unable to attend Norma and I would like to extend our wishes for a safe and happy holiday season. Wave to Santa!

EDITOR'S NOTE:

With this December issue, I'd like to say Merry Christmas, may your holidays be special and memorable!

Being on the COB board of Directors this year has been an honor. I would like to explain why I chose not to run for next year. My newsletter and photographer duties take a significant amount of time, and when I realized just how many qualified members were interested in running for the board positions, I was glad. New ideas and problem solving are always welcome in an organization. They promote growth and also allow responsibilities to be shared. When activities or time spots come up, I would urge all of you to try your hand at something new or work at some of our legacy events. You may have a better idea, and we welcome thoughtful changes. We have many members who can advise or assist you, so it need not be a solo attempt. One such event that stands out is George Sparks "James Bond movie" – something not tried before, but a remarkable success. You just might have a hobby or favorite restaurant that might serve as a catalyst for an event..... so give it some thought.

Note: next month's newsletter will show the newly elected club officers and board (page 2), all of whom are officially installed during the December meeting!

CORVETTE RACING NEWS

Chevrolet, Corvette Racing Claim Final GTLM Championships

Chevrolet and Corvette Racing claimed all three full-season GT Le Mans titles of the IMSA WeatherTech SportsCar Championship. This year, Chevrolet claimed its 14th Manufacturers title in GT racing. Antonio Garcia and Jordan Taylor went back-to-back as Drivers champions while the No. 3 Mobil 1/SiriusXM Chevrolet Corvette C8.R repeated as Team title-winners. Chevrolet and Corvette Racing won 7 times in the IMSA Championship and claimed a pole position in each GTLM race heading into Petit Le Mans. No. 4 Corvette C8.R teammates Tommy Milner and Nick Tandy finished second in GTLM points with the start of today's race. Milner and Tandy were also contributors in the Manufacturers Championship with three victories and two pole positions.

Corvette Racing will return to IMSA in January for the season-opening Rolex 24 At Daytona in the new GTD PRO category. That effort will go along with a single-car entry in the FIA World Endurance Championship.

Hearts & Hands is a “neighbor helping neighbor” volunteer organization.

Make a difference in your community.

If I volunteer, what can I expect?

- Share your time and talents with our care receivers, who are individuals over the age of sixty.
- Select assignments that fit your schedule and interests, volunteering is flexible!
- You can support our care receivers by driving them to appointments, doing some light housekeeping and organizing, simple repairs around the house or doing yard work, friendly visits, and care giver respite.
- Volunteer as often as you wish, weekly, monthly or seasonally.
- Volunteer Coordinators handle all of the arrangements.
- Mileage reimbursement and supplemental insurance coverage provided.

How do I get started?

- Enroll as a volunteer, online at www.hnhcares.org, or just call 716-406-8311 ext. 102
- Attend a 90-minute volunteer orientation, and learn all the ways you can serve.

Volunteers Needed

Serving:

Akron, Alden, Amherst, Clarence,
Kenmore/Tonawanda, Lockport,
North Tonawanda and South towns.

A testimonial from Carole, a volunteer:

“Volunteering with Hearts and Hands has really given me purpose, and I get to meet new people which is interesting and fun. My family is grown and out on their own, but I still need to feel needed. When I get up in the morning, I know that someone is depending on me. It is so rewarding. The best part is that care receivers are so grateful for what we do to make their lives easier and less lonely. I have been a volunteer since 2003 and know that I am making a difference in my community.”

10/24 Ellicottville Brewing Company trip:

It was a beautiful, yet cool day when we met at Quaker Run Plaza and headed down Route 219 to Ellicottville. While there at the brewery, we were all treated to a first round of drinks by Terry Decker in honor of Jim Decker, her beloved husband, who passed away May 30th of last year (both of them pictured below). Thank you, Terry and Jim (RIP)! She also hosted an informal get together at her nearby house after the event. We did not make it to that, but were able to stop at a similar meet at the home of Kevin and Holly Wyse (bottom of page 10) on the way home. We left that later in the rain. Dave Spencer

11/24 COB Ladies' Luncheon:

On November 4th, 15 COB ladies converged on Platters Chocolate's. After some purchases we convoyed to Solidays restaurant for a delicious lunch. Of course, more shopping afterwards to "A Little Something" to purchase some gifts or a little something for our own home.

We look forward to our December luncheon, hosted by Rose Ricigliano on December 16 at Buffalo Brew Pub. Hope to see you there.

What's the highest horsepower Corvette you can actually buy?

Specialty Vehicle Engineering (SVE), the firm that owns the fabled Yenko brand name, is building 25 limited edition Yenko/SC Stage II Corvettes—and each one will pack massive firepower underhood.

This amped-up Yenko/SC Corvette is based on the 2019 Corvette Grand Sport coupe and convertible models. A modified 6.8-liter supercharged V-8 engine based on the standard 6.2-liter version powers the new beast. It now delivers a whopping 1,000 hp and 855 lb-ft of torque. The V-8 is mated to a seven-speed manual transmission standard or an available eight-speed automatic.

Newsletter Editor Notes:

Restaurateur Russell J. Salvatore and infectious disease specialist Dr. Rajinder Bajwa will be honored when Niagara Falls Memorial Medical Center brings back its annual gala fundraising event, the Premier. The black-tie formal, scrapped this year because of the Covid-19 pandemic, will be held Jan. 15 in the Seneca Niagara Casino in the Falls, the medical center announced. The event usually draws a sellout crowd of about 900. The 2020 Premier raised about \$275,000 for the hospital.

Co-chairs of the 2022 event include Buffalo Common Council member Darius Pridgen and his son, Pastor Craig Pridgen, and Dr. Ravinder K. Devgun, Memorial's chief of anesthesiology, and his wife, Sukhmender S. Saran.

Bajwa, Memorial's chief of infectious diseases, led the hospital's response to the pandemic.

Salvatore, owner of Russell's Steaks, Chops & More, has donated millions of dollars to area hospitals, including a major gift to renovate Memorial's welcome center in 2019.
