VETTE NEWS SINCE 1981

JULY 2021

**STAY HEALTHY, STAY
SAFE, and Save the Wave!**

PRESIDENT BOB SPEAKS:

I am extremely happy to say that this will be the last time I will write the word COVID. As of last Thursday, the state of emergency in New York officially ended, and most, if not all restrictions have been lifted concerning our daily lives. Therefore, starting with our July meeting, we will be back to our regular configuration in the meeting hall. Please, it goes without saying that anyone not feeling well or who has any symptoms, please do not attend the meeting. Please respect the health of every member. I want to thank the 38 members who came out to the Italian Village for a great dinner experience this month. I received many comments regarding that they would like to go back there in the future, and I plan on doing so during the upcoming winter. Lee and Mike - thanks, and as usual, great job with the Ice Cream Social at Woody's in Hamburg. This event has always drawn large numbers and this time was no exception.

The Made in America cruise drew a large crowd with virtually the whole back row consisted of COB members. Everyone enjoyed an evening of conversation that was, unfortunately, cut short by a few raindrops.

Coming up in July is the Grand Island Parade, another Dinner Cruise, Ice Cream Social, the Vets & Vettes Super Cruise of course, and the 17th Annual Caravan. Sign-up sheets will still be available for our two major fund-raising events of the year at this month's meeting.

EDITOR'S NOTE:

Hi – I'm Dave Spencer!
Event below requires your
immediate attention....

Grand Island parade on SATURDAY, JULY 3RD.

Meet at the Burger King restaurant near the south Grand Island bridge. Please note they block off Grand Island Boulevard at 8:15. Arrive earlier if you want breakfast.

After the parade we will take a short rest stop to remove US flags from your car then proceed to take a short cruise.

We will lead the group off of the island for lunch at Soliday's restaurant on Niagara Falls Boulevard in Wheatfield. Any questions, please contact us. Have a great summer! Frank & Marianne P.

Dave (Note to myself) When you have two Word newsletters displaying (after hours on the project) and you click to close the not needed previous month's newsletter, NEVER click "Don't save the changes". You might just be on the wrong newsletter!

"Made in America" photos to be shown next month, considering all the content this month...

Hearts & Hands is a “neighbor helping neighbor” volunteer organization.

Make a difference in your community.

If I volunteer, what can I expect?

- Share your time and talents with our care receivers, who are individuals over the age of sixty.
- Select assignments that fit your schedule and interests, volunteering is flexible!
- You can support our care receivers by driving them to appointments, doing some light housekeeping and organizing, simple repairs around the house or doing yard work, friendly visits, and care giver respite.
- Volunteer as often as you wish, weekly, monthly or seasonally.
- Volunteer Coordinators handle all of the arrangements.
- Mileage reimbursement and supplemental insurance coverage provided.

How do I get started?

- Enroll as a volunteer, online at www.hnhcares.org, or just call 716-406-8311 ext. 102
- Attend a 90-minute volunteer orientation, and learn all the ways you can serve.

Volunteers Needed

Serving:
Akron, Alden, Amherst, Clarence,
Kenmore/Tonawanda, Lockport,
North Tonawanda and South towns.

A testimonial from Carole, a volunteer:

“Volunteering with Hearts and Hands has really given me purpose, and I get to meet new people which is interesting and fun. My family is grown and out on their own, but I still need to feel needed. When I get up in the morning, I know that someone is depending on me. It is so rewarding. The best part is that care receivers are so grateful for what we do to make their lives easier and less lonely. I have been a volunteer since 2003 and know that I am making a difference in my community.”

Please welcome
Prospective
member -
Len Zawadzki
and his 1989
Black coupe

Hello all!

My name is Len Zawadzki and I am a prospective member of Corvettes of Buffalo. My fascination with the Corvette goes back many years. Even as a young boy, when my friends and I saw one drive by, at least one of us would exclaim... "Wow, look at the 'Vette!!" Unfortunately, I never owned one until 2017, when I was able to purchase my black 1989 C4 coupe.

Quick story: in the summer of 2016, I was in my local Home Depot parking lot when a guy pulled in with a black C4 Convertible. I may have twisted my neck to get a better look as he passed right next to my truck. It just struck me as being "That Gorgeous"! That began my "Mission" to obtain my own C4 (my favorite Generation). I searched for 8 months, local ads, Craigslist, Cars.com, etc. Why so long? They kept coming up with too many miles, and/or too expensive for the year.

Then a 1989 showed up on Cars.com in Columbus, Ohio. Only 27,000 miles, and asking \$9,000. "Now we're Talking"!! A friend and I drove down, did a test drive, checked out the great condition of the car and struck a deal!!

I hope to become a full-fledged member of Corvettes of Buffalo to partake in the "Corvette Camaraderie" and participate in the social and charitable events which makes this club special.

FREE FOR ALL PAGE: MAKE IT INTERESTING!

Here's a photo I took at a recent car show. I didn't notice anything unusual at the time.

It's come to my attention of a 1987 Corvette for sale, that is not a barn find, but appears to be a local, very low mileage (9778 mi), well-kept, ONE OWNER, beauty. It has a stick shift, (4+3 overdrive trans) that has Overdrive in 2nd, 3rd, & 4th. Even the window sticker is available. Asking price \$17,900 Editor:
Interested, for more details, contact me for owner's name and #.

I got this from George Sparks (see him for more info):

Health issues requires us to offer our 1949 Anglia for sale.

All steel car came from a MUSEUM in England and was built by a nationally recognized owner/builder.

Rack and pinion, independent front suspension, 9" Ford rear by Strange Engineering w/coilovers, Wilwood discs, supercharged 377 ci aluminum SBC, Turbo 400. Hand fabricated aluminum, carbon fiber dash & console with great sound system! \$100+k invested, 5-year build. Beautiful, exceptional paint and interior.

Multiple award-winning hot rod.
