

COB VETTE NEWS

Since 1981

Volume 40, Issue 7

July, 2020

Notes from the President

We are finally at the point of getting to some sense of normal. However, we are not completely there yet. On June 5th many of us were able to help Skip & Maureen celebrate their 50th wedding anniversary with a parade of 32 COB cars passing by the church after their ceremony. We were able to pull it off without them knowing and I know they both appreciated the recognition from everyone. Afterword for the first time this season everyone was able to bring their own lunch and socialize on the grounds of the church.

On Wednesday the 17th a group of 24 cars traveled to Letchworth State Park. Everyone again brought their own lunch. After about 2 hours of conversation we cruised the length of the park to the upper-middle falls area. The day was capped off with a stop at Charcoal Corral for ice cream. Everyone enjoyed the day and asked that we do it again. Another trip is being planned for a weekend day in July.

New Cancellations & Postponements:

July 11, 2020. COB Monthly meeting. **Cancelled, Per State & Church Guidelines**

July 5, 2020. 12th Annual Classics on the Niagara.
Rescheduled for Sept. 6, 2020

Aug 2, 2020. 16th Annual Caravan. **Club only cruise is being planned for that date**

At this time, we are planning a club meeting at our picnic in August with the possibility of resuming regular meetings in September. As the health of our members are of the utmost importance will continue to follow all church, state & local guidelines, so watch your email for COB updates.

STAY HEALTHY, STAY SAFE!

Save the Wave

Bob

Notes from the editor

It's 1977, Apple Computer is born and the Raiders beat the Vikings in Superbowl XI. Jimmy Carter is sworn in as POTUS 39 while snows fall in Miami.

January 28th brings the great blizzard of '77 to Buffalo.

April brings the inaugural games of the Toronto Blue Jays and Seattle Mariners.

May debuts STAR WARS and Montreal beats Boston for the Stanley Cup

In June, the Supremes perform their last concert and Elvis Presley does the same.

August sees the capture of "Son of Sam" and the death of Elvis

The Yankees beat the Dodgers in the world series and Saturday Night Fever hits the big screen. Meanwhile the radio plays "I just want to be your everything" and "Best of my Love" while we watch "Laverne & Shirley" and "Happy Days". At the theaters we watched "Star Wars: Episode IV" and "Close Encounters of the 3rd Kind".

The Bills struggle to a 3-11 season and the Sabres skate to 44-19-7

The Corvette marketing department chose the easier path.

November 14	COB Meeting – Elections!
December 13	COB Christmas Luncheon, Ilio's DiPaolo's – Karen & George Sparks

We wish to thank everyone who participated in the parade outside St. Mary's Church to congratulate us on our 50th Wedding Anniversary. What a complete surprise as we walked out of the Church and saw the long parade of Corvettes lined up! We had no idea our daughter Kate had contacted Bob Joseph to pull off this surprise parade and with a safe "social distancing" COB gathering following the parade behind the Church. Afterwards, she said "I hope you're not mad?"

While our 50th Anniversary celebration was planned to be a small immediate family only event but thanks to our daughter Kate, it turned out to be an awesome day as we enjoyed seeing our extended COB family for the first Corvette gathering of 2020.

We want to also thank you for all the cards and emails we received!

Skip & Maureen Polowy

Obituary

DECKER – Jim, beloved husband of Terry Decker (Frances T. Duggan) passed away peacefully on Saturday at age 77 after a battle with cancer. He spent his last days surrounded by his immediately family in the comfort of his home in East Aurora. He is survived by his wife of 52 years; his sons Patrick (Stacey) and Christopher (Wendy); 4 grandchildren: Emily, Anna, Grayson & Fiona; his brother Jack (Sue); and his close cousins. Loving son of the late John and Lore Decker of Cheektowaga.

Jim provided for his family with a great life including many memorable camping trips and world travels. He served his community with giving activities including being a career teacher and coach (Riverside HS, Canisius College, Cheektowaga Central HS), is a 32 year member of the Ski Patrol at Holiday Valley, and held officer positions with; The Sandy Hook Shore Patrol, The Wendt/Bennet Beach Life Guarding staff, The Cheektowaga Teacher's Union, The National Ski Patrol, The Ellicottville Ski Club, Corvettes of Buffalo and various HOAs.

Jim Decker, beloved husband of Terry Decker (Frances T. Duggan) passed away peacefully on May 30th, 2020, at the age of 77 following a battle with cancer. He spent his last days surrounded by his immediate family in the comfort of his home in East Aurora.

Jim was born in Buffalo and attended Hutch Tech High School and the University at Buffalo '64. He developed an early love for swimming and the outdoors, which led to a wonderful life filled with adventure, travel, learning, education and leadership in all the things he enjoyed.

Jim was a swimmer and a lifeguard and became swim captain of both his high school and college swim teams. Following graduation, Jim took a position at Sandy Hook State Park in NJ, ultimately becoming the captain of a 60-person ocean lifeguard staff. Later, Jim returned to Buffalo and was instrumental in starting and managing the lifeguarding program at Erie County's Wendt Beach Park for many years.

Jim received his degree in teaching and was a physical education instructor and a coach at Riverside High School, Canisius College and Cheektowaga Central, coaching various sports including swimming, soccer, volleyball, and cross-country.

Jim and his wife raised their sons, Patrick and Christopher in West Seneca instilling a love for the outdoors and adventure in his family. They enjoyed many years of swimming, boating, water skiing and camping with his extended family traveling summers throughout NY and Canada. Jim expanded his and his family's passion to include winter skiing, largely influenced by his Uncle Heinz Wolf; which evolved to a second career in ski patrolling.

Jim was introduced to winter skiing as a young boy by his uncle, who himself was a passionate skier and an early member of the ski patrol at Holiday Valley Ski Resort in Ellicottville, NY. In the late 1980s looking for an outdoor family activity, Jim started as a

volunteer member of the ski patrol, ultimately becoming the Ski Patrol's Section Chief and Region Director. He was on the Eastern Division Board of Directors, National Ski Patrol Board of Directors, and was the 60th member inducted into the National Ski Patrol Hall of Fame in 2019. Local, regional and national designations/awards received over his 32-year career (national number 9340) included: First Aid Instructor, Instructor Trainer, Yellow Merit Star (2), Blue Merit Star (2), Purple Merit Star, Western New York Patroller of the Year -twice, Distinguished Service Award, Eastern Division Outstanding Administrator, and The National Board Service Award. Jim was also involved socially and was a member of the Ellicottville Ski Club Board, serving as President. He was a member of the Board of Directors for both Wildflower and Elk Creek HOAs in Ellicottville.

Jim and Terry spent their summers traveling to all 50 states, Canada, Europe, Australia/New Zealand and the Caribbean. He was an avid scuba diver and enjoyed finding his mother's roots in Germany especially enjoyable. He enjoyed camping, fly fishing, especially hunting and traveled to Colorado, New Mexico and Labrador to do so. He enjoyed riding Harley Davidson Motorcycles and most recently joined the Board of Directors for the Corvettes of Buffalo, and enjoyed many cruise nights and many social activities.

Jim's long career and passion for everything outdoors was lovingly and graciously shared with his family, including his four grandchildren. Always with his "safety first" mindset and his desire to educate he introduced them to everything he knew. He had an activity for every season and every location and enjoyed being an active "Papa" for all of his years. He enjoyed watching his grandchildren play and compete in various activities from a young age, including town high school sports; however, by far the most memorable activity will always be enjoying the beautiful sunny slopes at Holiday Valley with his family.

Jim is survived by his wife of 52 years, his sons Patrick (Stacey) and Christopher (Wendy); 4 grandchildren: Emily, Anna, Grayson & Fiona; his brother Jack (Sue); and his close cousins. Loving son of the late John and Lore Decker of Cheektowaga. Celebration of life will be scheduled at a future time

NCM eNEWS

Museum to Reopen Monday, June 8

Have we mentioned lately that we miss you all? The long-awaited day of reopening is slated for Monday, June 8 and we are ready and waiting! Normal hours of operation will resume starting Monday and are 8am-5pm CT.

You'll notice a few changes have been made to ensure your health and safety, as well as that of our staff including acrylic barriers at customer interaction points, hand sanitizer provided throughout the Museum, and social distancing reminders both on the floor, via signage, and PA announcements. We have increased the frequency of our cleaning, perform daily temperature checks of our staff and have temporarily limited access to items like touch screens in the Museum. While face masks are not required, we have provided them to our staff, and have some available should a visitor request one.

We hope you'll consider planning a visit to see all the new and exciting changes to YOUR museum!

Here's some good news to pass on to the club in your next newsletter!! Hope NYS opens up soon!! That's when I'll head north!!

John Meyerhoff

Every time one turns around, he or she is hit with more bad news about Covid-19, its effect on family, friends and the economy. Other than follow the CDC guidelines, there isn't much more we can do. But one thing we can do is think positive about our future and have some pleasant thoughts about the past. Since nobody is sure just how long before we can return to normal, I've spread these photos out over the last two issues of the newsletter. This is the last of three installments. Hopefully, we'll soon be back a "new" normal, whatever that may look like.

So, in no particular order, are pictures of our fellow CoB members and their drivers.

We can thank Dave Spencer for these.

716-432-8114 (K)

CHURCH DONATIONS

In the months to follow, needed donations requested by the church are as follows:

The one thing we all care about more than our Corvettes is the health and wellbeing of our family, friends and ourselves. The global outbreak and spread of COVID-19 is greatly affecting the way we all live our lives. For those still in the workforce who may be laid off are affected more than those of us who are retired. Therefore, I am asking everyone to continue to make contributions to the church food bank. I had a conversation with Jim Owen today and he tells me that they are in need of any nonperishable items as usual. He tells me that donations can be placed in an outside bench at the rear of the church. For anyone concerned, no physical contact needs to be made. Just lift the seat and place items underneath. The bench is emptied on a daily basis. I hope this message finds everyone well. Please follow all federal and local guidelines to ensure that all COB members stay healthy and safe. Thanks.

Bob

The Clarence Community Food Pantry was started in 1980 by Nancy May to assist less fortunate local families. The pantry is located at Clarence Presbyterian Church and serves residents of Clarence, Clarence Center, Town of Clarence and the Clarence School District.

Many organizations and individuals throughout the Clarence area contribute food and monetary donations as well as time and it is deeply appreciated!

**Please contact Jim Owen, Coordinator for donations or client appointments.
Jim can be reached at 716-310-5447 or ccp@clarencepresby.org.**

JULY – condiments, canned meats, tuna, spam, SpaghettiOs, spaghetti sauce

AUG – PICNIC – NO DONATIONS

SEPTEMBER - laundry products and toiletries

**Remember all the
businesses that
you've asked for years
and years to donate to
your clubs, events,
and organizations?
They're calling in a
favor.
Answer the call.**

History of the Corvette, part 24

The 1977 Corvette was almost a rehash of the 1976 edition. The most notable feature of the '77 'vette occurred on March 15th, 1977 when the 500,000th Corvette rolled off the assembly line. A record number of cars, 49,213, were built at a record base price of \$8647.

Some improvements over last year's offering was the shortening of the steering column by 2 inches which allowed for easier entry and exit by the driver. The interior rear-view mirror mounting was moved to the windshield for better rearward visibility. Changes in the center console help in access to the parking brake lever.

Stylistic changes were limited to the replacement of the word "Stingray" from the front fender to the crossed flags. Leather seats were now standard.

Engine and transmission options were not changed. The standard was the 180 HP 5.7 L V8 with an option for 210 HP. The higher power option was not available in Canada and California.

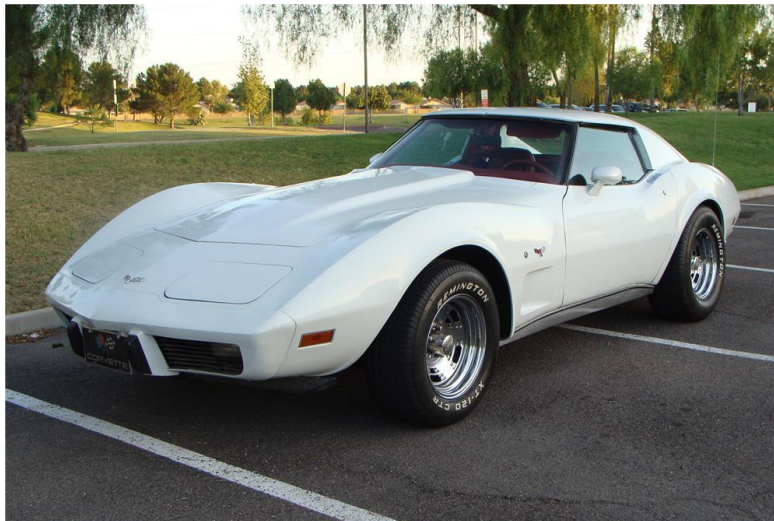

The marketing folks at Chevy decided "if it aint broke, don't fix it".

The 1977 interior. Note the steering wheel is now 3 spokes. Leather seats are now standard.

Note the change in logos above the front fenders
